MINI-GOLF TOURNAMENT RESULTS

I'd like to thank everyone for coming out. This was one of our more successful events, with twenty-two matches participating.

Mr. Roy from **Super Putt** was a great host - very helpful, co-operative, and gave out coupons to those in attendance.

The weather was just right - not too hot and not too cold. Lunch from a nearby McDonald's Restaurant was served. The restaurant manager gave us a generous discount as well as treats that were given out at the Family Picnic.

And now for the results of the tournament:

Overall Winners: P. Marshall & Tyler I.
Senior 1st Place: D. Brakewell & Tommy C.
Junior 1st Place: G. Beere & Gordon T.

It should be noted that there was a tie for first place in the Senior Division, but because there was only one trophy, the tie had to be broken. Congratulations to the tie match - **R. Anderson & Joey C.**

LITTLE BROTHERS SAY THANK YOU

The following letter was received from Little Brother **Chris H.**:

Dear Sue:

The tickets were great for Cats. Me, Matt, my mom, my cousin and my sister went. We got tickets for floor row "u". I liked Mistofflies the best. Me and Matt are going to the carnival next weekend.

Thank you for the tickets.

From Chris H.

This letter came from Little Brother **Joey H.**:

To All the Staff at the B.B.A.:

I am writing to thank you for the funds to buy a helmet. Without a helmet I wouldn't be able to play hockey. When I play hockey I play left-wing and it's important that you have a helmet because you could really get hurt. Just yesterday I saw someone get hit on the head with a puck. Luckily he had a helmet on.

P.S. I would also like to thank you for still searching for a Big Brother for me.

Thanks a lot from

Joey H.

SNOOKER TABLE AVAILABLE

We have an official size (6' x 12') slate snooker table available to anyone who can make arrangements to move it. The slate comes apart in four pieces, but is extremely heavy. The table felt needs to be replaced.

If interested, please call **Dan Read** at **525-3860, Ext. 304**.

This year's *Family Picnic* had perfect weather, great food, and fun for all!

KEEPING IN CONTACT

It was a beautiful balmy day when Big Brother Benny called me here at the office. He said he was worried about seeing his Little Brother Bobby regularly once a week throughout the summer months.

Benny was planning on boating in Boston with his wife Betty for three weeks in July and Bobby would be bunking at Camp Bluebird for two weeks in August. He wanted to plan ahead to avoid any bumps in their friendship. I assured Benny that many Big Brothers plan to be away at some point and I gave him the following tips to avoid a problem:

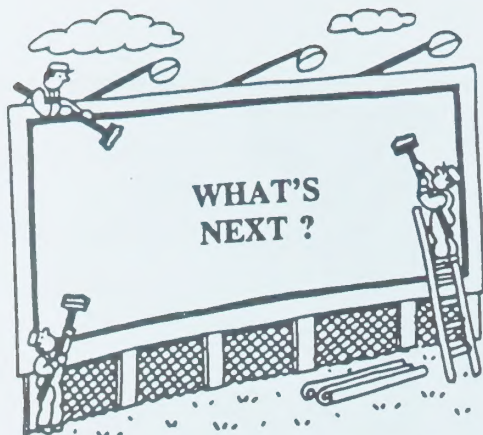

1. Let your Little Brother and mother know when you are going to be on vacation as soon as possible.
2. Keep track of when your Little Brother will be away.

3. Postcards are great inventions - use them! Most people, especially Little Brothers, love to get mail.
4. The next best thing to being there is a phone call.
5. Some mothers may be open to weeknight outings occasionally. You may want to negotiate this possibility.
6. Encourage your Little Brother to send you a postcard.

Big Brother Benny let out a bellow of laughter. "Sounds good", he said. The last I heard Big Brother Benny caught a large bass boating with Betty, and Bobby enjoyed his bunking experience at Camp Bluebird.

The moral of the story is to communicate, do the best you can, and enjoy being Big and Little buddies. If you're in doubt, call your social worker here at the Agency. It's free! We're happy to listen!

THOUGHT FOR THE DAY

You know that you spent too much money on your summer vacation when the balance in your bank account is lower than the number on your sunscreen!
